

Subject: Canals

Movement to a Steady Beat

Four legs spread like four posts
Leaning into the collar
Standing tight
Tight the horse line
1 ton moving 50
Movement
Movement to a steady beat

Four legs working the dark
Leggers legging
Horizontal
Left right left right
 $\frac{1}{4}$ ton moving 50
Movement
Movement to a steady beat

Movement to a steady beat
Horsepower
Manpower
Steam power
Diesel power
25 tons moving 1000
Movement
Movement to a faster faster beat

Romantic water
Romantic steel?

Movement to a slower beat
The power has beat retreat
Movement to a slower beat
Sunken eyes eye up sunken wood
No tons moving nothing
Movement - what movement?
Beat - what beat?
