

Faringdon & District U3A Privacy Policy

Faringdon & District U3A treats your privacy rights seriously. This privacy policy sets out how we will deal with your 'personal information', that is, information that could identify, or is related to the identity of, an individual.

What personal information do we collect?

When you express an interest in becoming a member of Faringdon & District U3A you will be asked to provide certain information. This includes:

- your name
- home address
- email address
- telephone number
- your subscription preferences
- your Gift Aid preferences

How do we collect this personal information?

All the information collected is obtained directly from you. This is usually at the point of your initial registration. The information will be collected via membership forms or online contact forms. Your Committee has taken advice from the U3A National Office and determined that the lawful basis for collecting, storing and processing your data for membership services, including the newsletter, is "contract" as the payments made by members for their membership provides the necessary basis for a contractual relationship with the U3A. In order to inform you about the groups, activities and events that you can access as a member we need to store and process a certain amount of personal data.

How do we use your personal information?

We use your personal information:

- To provide our U3A activities and services to you
- For administration, planning and management of our U3A
- To communicate with you about your group activities
- To monitor, develop and improve the provision of our U3A activity.

We'll send you messages by email, post, other digital methods and telephone to advise you of U3A activities.

Who do we share your personal information with?

We may disclose information about you, including your personal information:

- Internally - to committee members and group conveners – as required to facilitate your participation in our U3A activities;
- Externally for the distribution of our newsletters;
- Externally – with your consent for products or services such as direct mailing for the Trust magazines – Third Age Trust and Sources;
- HMRC for Gift Aid claims. If you agree that Faringdon & District U3A can claim Gift Aid, you agree to your name and address being passed to HMRC;
- If we have a statutory duty to disclose it for other legal and regulatory reasons.

Where we need to share your information outside of the U3A we will seek your consent and inform you as to who the information will be shared with and for what purpose.

How long do we keep your personal information?

We need to keep your information so that we can provide our services to you. If you cease to be a member, your information will be stored on the current membership database for no longer than one year after you cease to be a member. However, your data will be retained on archived previous years databases for seven years after you cease to be a member, in case of HMRC enquiries.

The exceptions to this are instances where there may be legal or insurance circumstances that require information to be held for longer whilst the issues are investigated or resolved. Where this is the case member/s will be informed as to how long the information will be held for and when it is deleted.

How your information can be updated or corrected

To ensure the information we hold is accurate and up to date, members need to inform the U3A as to any changes to their personal information. You can do this by contacting the membership secretary by telephone (number is in the newsletter or on the website) or email to membershipsecretary@faringdonu3a.org.uk or by using the 'Change of Details' form on our website <https://faringdondistrictu3a.com/contact-us/>. On an annual basis you will have the opportunity to update your information, as required, via the membership renewal process. Should you wish to view the information that the U3A holds on you, you can make this request by contacting the membership secretary – as detailed above. There may be certain circumstances where we are not able to comply with this request. This would include where the information may contain references to other individuals or for legal, investigative or security reasons. Otherwise we will usually respond within one month of the request being made.

How do we store your personal information?

We have in place a range of security safeguards to protect your personal information against loss or theft, as well as unauthorised access, disclosure, copying, use or modification. Security measures include technological measures such as Secure Socket Layer (SSL) encryption, which creates a secure connection with your browser when you use our online services. Your membership information is held on an Access database on the Membership Secretary's desktop computer. This computer is protected by a Firewall and anti-virus software. Membership information is also held on Google Drive and accessed by authorised Committee Members and Group Conveners. In line with data protection policy, data is also stored and protected on the personal computers of some committee members and group leaders.

Carers' and Next of Kin data will be protected in the same way as Members' data.
